

AFFIRMATION OF AND ADDITION TO THE 1994 STATEMENT OF SHARED OBJECTIVES

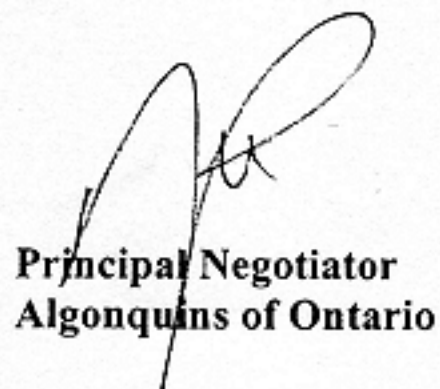

Originally signed by the Chief Negotiators for Ontario, Canada and the Algonquins of Golden Lake First Nation in August 1994, the attached Statement of Shared Objectives will continue to guide us during our negotiations.

In re-affirming their commitment to these shared objectives, the parties recognize that they are doing so without prejudice to their legal positions.

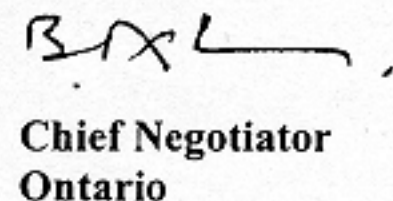

The parties also acknowledge the concerns of the Algonquins of Ontario to protect Algonquin interests in the lands within the claim territory in regard to contemplated dispositions or alienations during the course of negotiations.
